OBVIOUSLY

The theme "A Visible Difference" clearly states the many changes that have taken place in the 1992-93 school year. Some of the many changes were: the new principal, Mrs. Nancy Sutton, the new Business Finance Magnet Program, and the many new teachers that have joined on to the staff. These and many other new rules have made Northwest High School a more safe and comfortable environment for everyone. Not everyone may agree with these new changes, but Northwest is taking a stand to prove itself to everyone.

Here for a Little While ...To Learn a Lot

The day was August 24, 1992. The situation: to begin the 1992-93 school year and inundate ourselves with education that we will remember for the rest of our lives: Hoping to learn not only about reading, writing, and arithmetic, but also life, love, socialization, sportsmanship and competition.

Motivated by a goal to be only the best at everything, with a sense of pride that we were the best to ourselves.

As we stood over the staff, lending an ear and hand when we knew it was needed, we experienced a coming together to treasure forever.

By Christie McMullen,
Karren Shaffer and Susan Fiorentin

STUDENT LIFE

When not studying at Northwest High School, students find something fun to keep themselves occupied whether they are participating in the spring or fall play, going on vacation, going to summer camps, or just sitting at home in front of the tube with a bunch of friends. There is never a dull moment for Northwest High School students. These students at Northwest High School also enjoy activities such as the Junior-Senior Prom, Homecoming, pep rallies, and other dances. No matter if they are working or just veggin' out, Northwest High School students lives are filled with fun and exciting moments and activities for all classes.

LIVING TOGETHER

Above: What style,
What grace!

THE MAGIC CONTINUES

At Northwest High School...

An exciting event for second semester was the Fall play, **THE WONDERFUL WIZARD OF OZ**, produced and directed by Mr. Tom Birk with special music arranged and performed by Mr. David Newman.

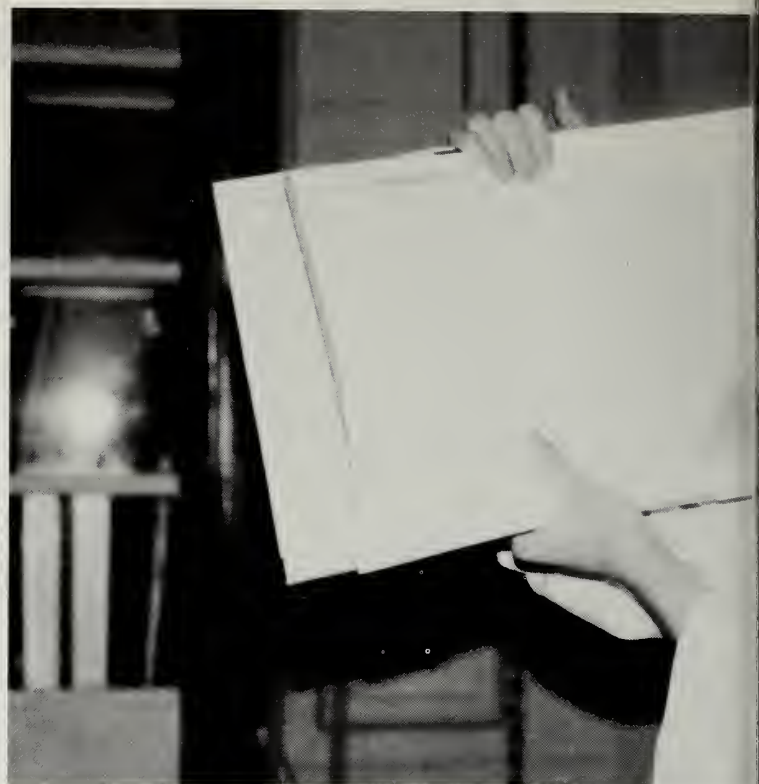

This marvelous play, based on L. Frank Baum's original "wonderful tale," **THE WIZARD OF OZ** continues to be a beloved part of our folk tradition. Faithful to the 1900 original, the play creates a fresh framework for OZ which glorifies theatre as a medium and books as a birthright worth cherishing. This adaption of his tale illuminates human values: the importance of mind and heart and the silliness of trying to separate them; courage as facing what is feared; the need to dream, to dare, to ride out storms as a condition of survival; the joys of loving, laughing, crying, being lost...and found.

These are the best 10 things of friendship. If you have all of them, you can find your way home.

SELECT SCHOOLS

Make a difference for your child.

Indianapolis Public Schools

SELECT SCHOOLS PLAN

Purpose

The Indianapolis Public Schools Select Schools Plan (IPS Plan) is a "controlled-choice" method of student assignment designed to:

1. expand parental decision-making and allow parents to be more substantively involved in the selection of the school their child attends.
2. recouple schools to the communities around them.
3. improve student achievement through school-initiated program plan development and implementation.

Why Select Schools?

1. Parents feel better when they can make decisions about their child's school. When parents feel good about their child's school, students also feel good and do better in school.
2. Education improves when parents, teachers and the community are free to make decisions about how to best meet the needs of students.
3. Teachers are more enthused when they can decide how to best meet students' needs and are free to be creative and innovative.
4. Schools improve as everyone in individual schools gives more energy to create "marketable programs" for which they are held accountable by parental choice.

Make The New IPS Northwest High School Your Success Story

Northwest High School offers an enriched learning environment leading to college and/or a meaningful 21st century career.

Whether they take part in the Business-Finance magnet program or the regular school program, Northwest students will receive a solid foundation in English, math, science and social studies.

At Northwest, each student must complete a community service project and a business internship in order to graduate. Apprenticeships and mentorships with community businesses also will be provided.

By 1994, Northwest will be divided into two parts: a lower house and an upper house. The lower house, formerly known as freshmen and sophomores, will be divided into teaching/learning teams that must meet challenging guidelines in order to advance to the upper house. Upper house students who are able to meet graduation requirements at the end of one year are eligible to study college-level courses. They also are provided with in-depth career planning. Come see how Northwest can prepare your teen for the challenges of the 21st century.

MISSION STATEMENT

The staff of IPS Northwest High School dedicates itself to creating and maintaining an orderly, purposeful environment where instructional development will prepare students socially and intellectually for their present and future roles.

The faculty and staff of IPS Northwest High School facilitates the student's transition to adult status in our democratic society by helping students establish academic goals and ethical standards to achieve their potential.

Together, the school and the community direct the students toward their best performances in scholarship and citizenship.

NORTHWEST HIGH OVERVIEW

1. A safe, caring and drug-free environment.
2. Personalization of program and instruction.
3. Parent involvement and choice in all education decisions.
4. Access and familiarity with computers and other advanced technologies.
5. Drug education programs.
6. All certified graduates will meet the standards set by Indiana business leaders in the document "Blueprint 2005."
7. Manageable class sizes.

NORTHWEST SIDE STORY

Prom 1992

Shining through on you

Through all the constant despair, the time has come that everyone has been waiting for all their life! The time when all hearts are at ease and the atmosphere is a peaceful one, the time when all your dreams come true and the time when your wallet thins out a little. It is the time to concur on all of life's little problems and push them aside as you prepare for the first day of the rest of your life.

This day will begin a chain reaction of good things in your life; things as simple as deciding what to wear the next day to deciding what career plans you are to follow.

Now the day has arrived and you are more nervous than you have ever been in your life! But, play it cool and enjoy your only evening you and your date have to yourselves.

Although many do not experience the thrill of being nominated King, Queen, Prince or Princess, there are those that do! One would think that this feeling is the most exhilarating feeling in the prime of your youth.

So, enjoy your evening and remember it always as the most memorable day encountered as a young teen.

CONGRATULATIONS

Class of '92

As the graduating class of 1992 walked down the aisles of the Northwest High School auditorium they were overwhelmed with the sense of pride and accomplishment.

Along with many speakers, Joy Rowland, valedictorian, gave an excellent speech on a carefree life/successful life. Not only was this the last day for the class of 1992, but Mr. Coleman's last school year as principal of Northwest High School.

Along with walking down the aisle, the graduating class had taken their first step towards higher education and career opportunities.

Susan Fiorentin

SUMMER TIME

Things To Do

Ah, summer. Time of freedom. It was the time to enjoy being young. During summer, they ran on the beach. They swam in the sea. They had fun.

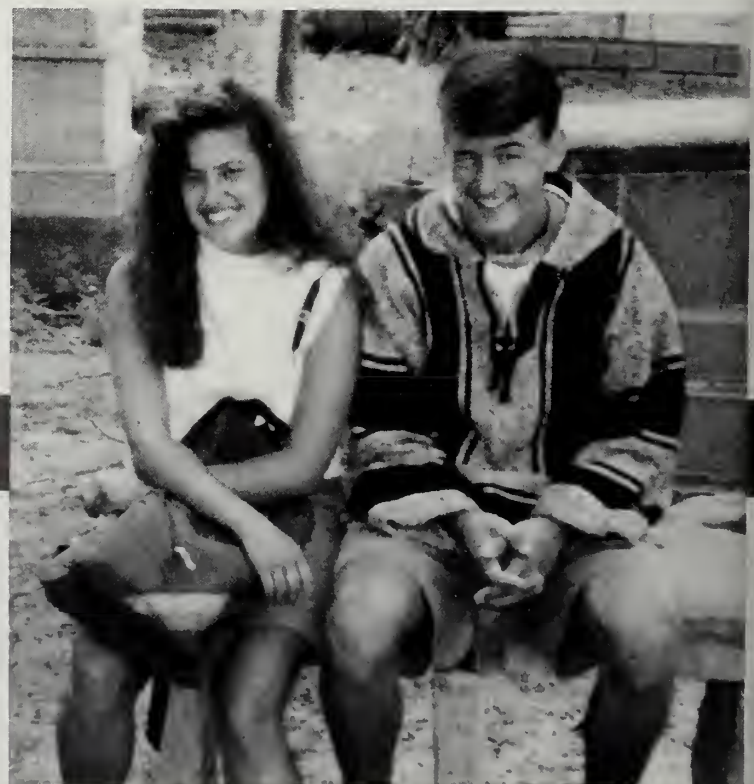

Many students spent time outdoors.

Senior Jeremy Giddens went to Utah with friends. "We went mountain climbing, mountain biking and running," he said.

Other students did not have time for fun in the sun. Senior Dallas Gill said, "I had no time for fun; I had to work for my money!"

Near the end of summer, several Northwest High School students, in conjunction with DeMolay, took a trip to King's Island. Senior Jon Proffitt was hard pressed to persuade Kalynn Vasquez to go on the roller coasters, but she eventually did and a good time was had by all. Eric Moore spent twenty-one dollars at the Test-of-Strength game, and won every time. What a guy!

Jeff Ridenour

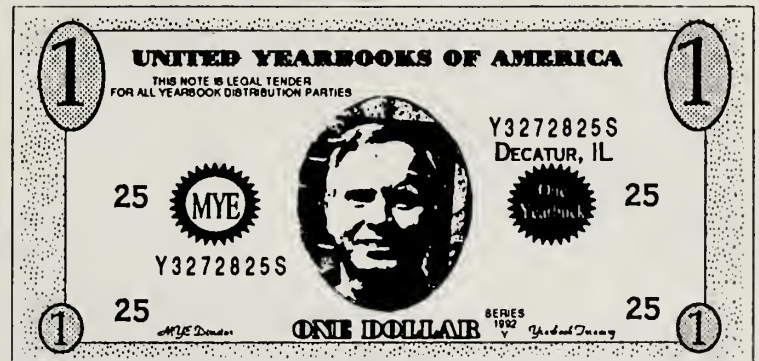

Above: Is that a boat I see before Me?

Right: Senior, Andy Goodwin with a friend.

Left: Boy, what a view!

Down: Cheerleaders at Vincennes for cheerleading camp.

Above: Yearbook Bucks

Not all of summer was spent relaxing. While athletes were out on the playing field, while beachcombers were hitting the sand, other students were developing important skills at various camps and trips this past summer.

Sophomore Karren Shaffer and senior Susan Fiorentin spent four days and three nights in yearbook camp at Millikin University in Decatur, Illinois. There, the girls learned techniques in layouts, writing, and editing. Karren Shaffer elaborated, "Our main goal was leadership training. We learned things that would make us good editors."

Some students left the United states for vacation. Senior Andy Goodwin made a run for the border and spent his summer in Mexico. The National Cheerleading Association sponsored a weeklong cheerleading camp at Vincennes University. The Northwest High School group brought home four blue and one red ribbon. Senior T'shana Harris stated that, "It was so fun and educational. We learned new stunts, chants, and new ways to get fans involved."

HOMECOMING

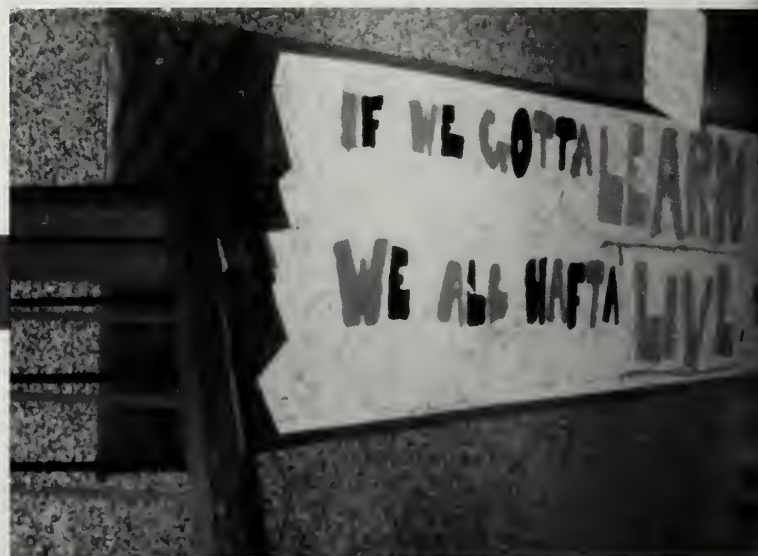

"RAID THE REBELS"

Monday, September 28, started the beginning of Northwest High School's homecoming week. This year's homecoming activities involved a great deal of participation from all students and faculty. Whether it meant dressing Kriss-Cross or decorating the halls, everyone participated to make this week even more fun than last year.

As everyone anticipated the game against the Roncalli Rebels, the team was more hyped than ever. Being cheered on by fellow students during the pep session in their honor, the team showed their fierce determination in "raiding" the Rebels.

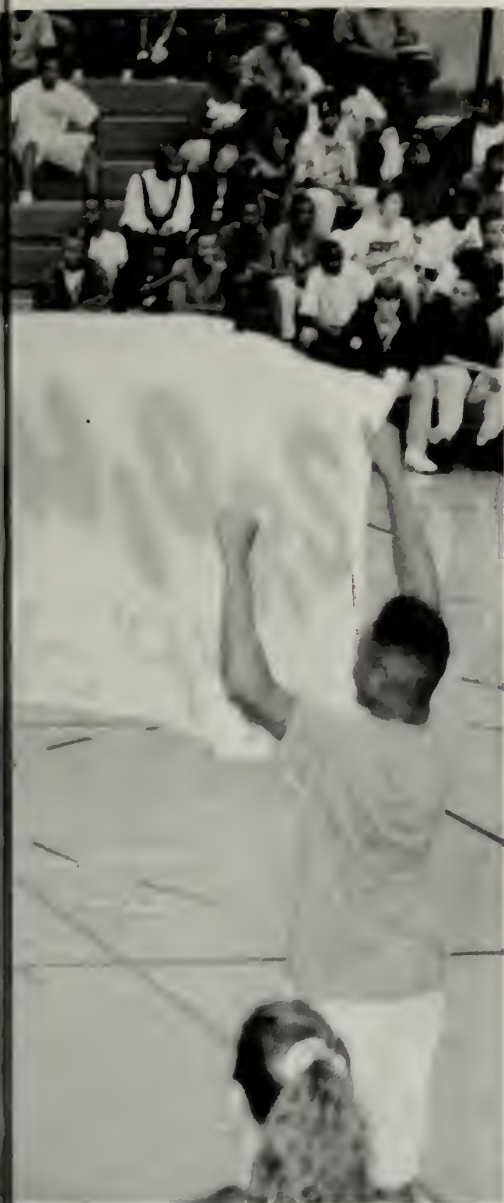

The week culminated with an exciting football game and a final score of 6-40. Even with our loss, Homecoming Week for students and faculty was one to be remembered for the 92-93 school year.

PEOPLE

divided we fall

Together we stand, divided we fall. This is the attitude taken by all the students and faculty at Northwest High School. Throughout each school year, the students and faculty at Northwest must take the time to adjust to the variety of people and their ways of doing different things.

This was not always an easy task, but with the thoughtfulness of everyone, we always seemed to join together and succeed.

The students of the 1992-93 school year had to adjust to the new rules and regulations. Another change we had to adjust to was our interim principal, Mrs. Nancy Sutton.

Above: Hanging out in the school mall.

United We Stand

Above: Cheering at
the pep rally.

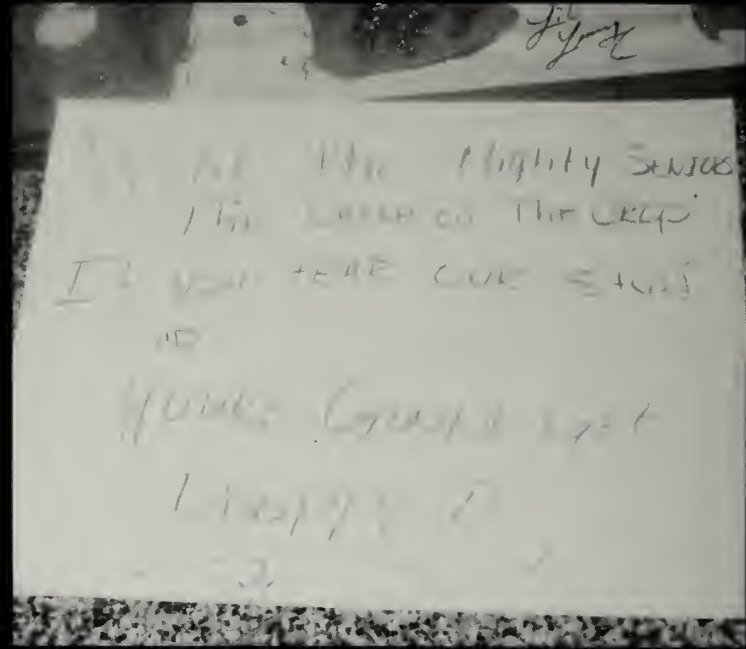

SENIORS '93

Recognition to the Senior class is important. This year all of the seniors were recognized with "Seniority" to the underclassmen. They knew who we were; and gave us the respect, because that's what we deserved.

Going to float meetings, games, pep rally's, and senior meetings, together, this class was one big family. Friendship was not a name of cultures or races, but of friends just accepting one another. Although we will be missed by friends and faculty, our time has come for us to move into the real world, to show our strength and maturity, because that's what the class of '93" was all about.

ACADEMICS

Academic classes are important preparations for college. All of these classes include students who consider our future to be a good investment.

A.P. classes study the history of humanities and excel in English. They take trips to Chicago, New Harmony and visit colleges. Music and band classes get really involved in concerts, football games and basketball games to show their school spirit. R.O.T.C. is intent on teaching military disciplines, but also includes representation of Northwest High School in parades and other events. Stage crew prepares us for our spring and fall plays. C.O.E. and D.E.C.A. prepares students for work after high school. These students leave the school at 11:30 and go to their job and receive a grade (and

Preparation and Dedication

credit) for their work performance. The yearbook staff works on the preparation of a great memory book for all students.

Academics at Northwest High School have prepared our students for their careers. They have shown our students how and what is needed to get into colleges. It takes students who want to learn to make it through high school. These are special students and they will be rewarded for all their efforts.

future.

BAND

Starting on the right foot!

The 1992-93 Marching Band got off on the right foot this past school year. They had strong performances at home football and basketball games, and they also showed support at the I.P.S. Back to School Rally.

The band changed their whole attitude this year by receiving new uniforms. These uniforms hold a different perspective on the way people look at the band.

"The band liked the new uniforms. They appreciated the new design and that the colors matched the original school colors," remarked Chris Robinson.

The best way to describe the band was stated by senior, Chad Lutane, "The band has been through so many changes over the past few years, with new band directors and incoming students. It has improved tremendously over the past year. I think the band will be able to hold their own now and for years to come."

Below: "She don't scare me."

SILVERETTES

Flagging down the future

The Silverettes are usually over shadowed by the band. But not this year! With their new uniforms, this group of young ladies twirled, danced and marched right through the roof of the school.

With such achievements of getting new uniforms and flags, the girls made a whole new outlook for themselves. They clearly made it visible that they wanted to "stick out" from the band.

"The girls this year are more committed than before. All are striving to do their best," said Mrs. Denny, their sponsor.

This year's Silverette corp has proved that they are a part of the band. They may not be as big of a group as the band, but they are getting stronger and are starting to prove themselves.

Kevin Shaffer

A TIME TO SING...

AND A TIME TO DANCE

Harmony, unity, euphony, diapason, and tunefulness are some words that go along with singing in the Northwest High School choirs. Those choirs are Sensations, Accents, and Pioneer choir.

Mr. Newman, the choral director, said, "...the choral program is beginning to build a tradition of excellence."

Mrs. Denny, the Beginning Choir director, said, "...students should learn basic music, theory, and sight singing, as well as have the opportunity to sing at school concerts."

It takes a lot of time and effort, on both the students' and director's part to perfect the choir and stay in tune when performing.

Mr. Newman had a little extra comment: "I invite you to share your talents with others. Come join in the excitement that is music, at Northwest!"

Paula Ursino

ORCHESTRA

Welcome, Mrs. Denny

The Northwest High School orchestra has changed their name to the new and improved **Chamber Orchestra**. The 1991-92 orchestra has had to take time to adjust to learning the ways of four different teachers in one school year.

The new teacher, Mrs. Jean Denney, has promised her students her undivided attention throughout the school year. When the students in Mrs. Denney's class were asked if there was anything they would like to tell her, they all agreed on this message:

We know at times we may have given you a hard time and we apologize for that. We'd just like to let you know that each one of us appreciate you and are happy that you decided to stay.

Above: Mrs. Denney takes the time to make sure everyone understands.

Top: Cello players, Juanita Miller and Brandi Thorpe practice for the fall concert.

Jazz Band

tooting the note

Something new and creative has come out of the Northwest High School Music Department - A jazz band! And the ten to twelve talented teens in this band decided to invite our community to hear their music.

Mr. Davis, director of the Jazz Band said, "Now that we have a class, we hope to have more participation . Quality music helps to enhance and heighten our school's image." The Jazz Band has had performances in the evening enabling the community to attend.

With hard work, these young musicians will continue to entertain high school students and community alike.

Kevin Shaffer

Above: The Jazz Band hard at work.

Top: Dawn Hinshaw blowing away!

YEARBOOK

A Commitment for the Year

Deadlines, deadlines and more deadlines. That is what the Northwest Vanguard staff has to look forward to all year long. Going nuts, trying to find the perfect pictures and the right words to fit the story.

When not working on a story, the staff members are taking pictures, alphabetizing photographs, selling advertisements, typing letters making layouts, and selling personal ads.

The yearbook is a year long commitment and its staff works their hardest all year to make the very best yearbook it can.

Jeremy Giddens

Left: LaSheena Thompson, senior, is working hard to check a story.

Below: The yearbook staff taking a peek at the finished product.

A Taskful Set

JUST IN TIME

Dedication is the key word in this class. Not only do you have to be dedicated, you must be willing to give up all of your free time to hard work. The students who participate in stage realize how important it is to communicate with other people to get the job done. Mr. Birk has been the Art Productions teacher for 10 years. He has proved himself not only to the faculty, but to the students to be a caring, successful teacher. He has taught all of us that participation in school and extra curricular activities is important. It brings out good, close friendships with other students, and helps the students feel involved in activities other than classes.

This year, the Art Productions students, the cast and other students who just wanted to get "involved" have worked hard every night after school and on weekends to get the set done in time for this year's play, "Musical Comedy, Murders of the 1940's". Not only do Art Production students work on the set for the play, they also prepare for concerts, special programs, pep rally and the Spring Arts Festival.

This class involves dedicated students who have been prepared for their future the right way.

Reserve Officer Training Corps

The Leaders of Tomorrow

ROTC is not just a class. It is training. Training for life. ROTC teaches student's leadership, responsibility, discipline and dedication. ROTC requires as much participation after school as during school. ROTC is made up of several groups. These groups are Rangers, Girl's Drill Team, Marksmanship and Color Guard.

Rangers is an ROTC activity that teaches survival in different terrain and climates. Rangers also teaches first-aid, rappelling, rope work, and orienteering.

The girl's drill team is a group that performs exercises in exhibitions throughout the state. The drills and exercises performed are created by the drill team.

Marksmanship is a team which uses air rifles to fire against nine other Indianapolis schools and in invitational throughout the state.

Color Guard presents the colors at football games, basketball games, to the school board, in parades and all drill meets.

Senior, Brian Hudgins said, "Anybody who wants to advance in the ROTC program must dedicate themselves to the program and they must be prepared to work."

No matter which ROTC team you are in, each team strives for excellence, perfection and respect. These qualities prepare Northwest High School students to be the leaders of tomorrow.

Jeremy Giddens

Advanced Placement

The place you want to be!

Advance Placement (AP) starts the second semester of your junior year and follows through until graduation. AP consists of AP English and AP History.

In these classes, you get a lot of work including writing essays, reports, research papers and reading plays and books.

AP is not just a lot of hard work; a lot of fun is included, too. AP does research before going on field trips. Some of the field trips include Chicago, New Harmony, and various colleges and universities. The field trips AP classes take must have some type of educational value.

When asked what he liked about AP, Jonathan Proffitt, senior, replied, "AP is like a family environment. We all get along. We are at ease with each other and we are not afraid to speak our minds."

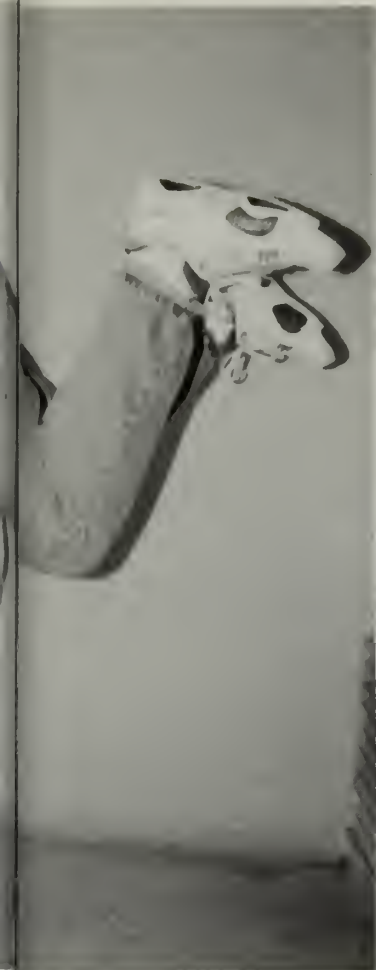

Shani Locke, senior, said, "I enjoy the field trips we take throughout the year and the group work we do."

Even with all the hard work, Advanced Placement classes can be fun, if you make it fun.

Paula Ursino

Above: Stacy, are your nails dry yet?

Above: A little hungry, are we Mags?

COE

One of the many activities available at Northwest is the Cooperative Office Education program, a program designed to give students a "hands-on" experience in the real business world.

To be a part of the program students must have participated in several business classes, such as typing, office procedures, word processing, and accounting.

COE coordinator, Louistine Fields suggested, "Students should have been involved in at least one business class throughout their High School curriculum, no matter what their future plans are, it will be very profitable."

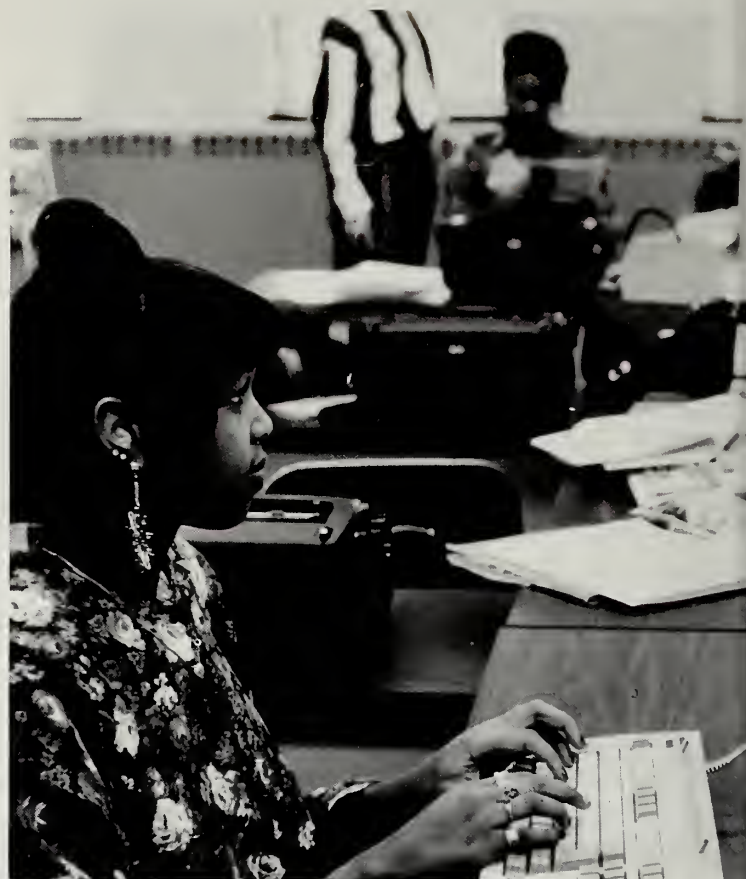

The students involved in COE participate in several activities within the group, such as...fundraisers, contests, and even parties are apart of the COE program. Getting out of school half day seems to be a major incentive for getting into the program.

Senior, Laurie Dennison, states, "I think a lot of us get into the program so we can leave half day, but there are also many other reasons."

COE offers several opportunities to all the students that are involved. It has also opened several doors in the business market.

Senior, Hope Gamble remarked, "A student could only benefit from the program, it's fun and you also learn. It's like having a second family."

Stacey Bernard

Above: COE members posing for a picture. "Say Cheese!"

Top: Talibah Boozer working at the computer.

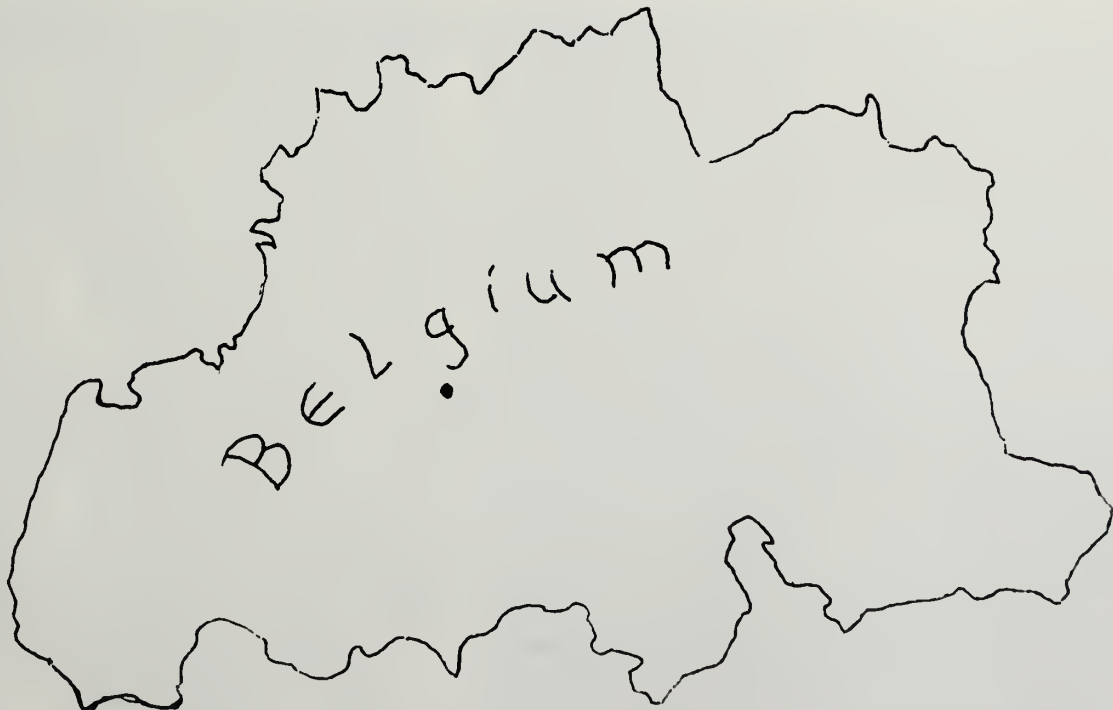

GLOBE, the Global Learning of the Business Enterprise was one of the many new programs developed in 1992-93. United Technologies, along with Junior Achievement, have created an applied economics course that makes import/export companies with other countries, in this case, Belgium.

Mr. Compton, head of the Social Studies department and GLOBE teacher, said, "GLOBE will be an interesting experience. Northwest is one of only six high schools in the entire country to have this course."

One fascinating aspect of the GLOBE program is the student exchange. One Northwest student will be selected to go to Belgium and one of their's will attend Northwest High School for one week.

Jeff Ridenour

The 21st Century

A New Generation

Business Finance Magnet is the only magnet program we have at Northwest High School. This magnet began when a team of Northwest administrators and teachers were given the task of designing a new magnet for Northwest High School. Students come from every part of Indianapolis to attend this program. The program consists of students who were chosen from their CAT scores and grades in Language Arts and mathematics. Sarah Tunis pointed out she was accepted after filling out an application.

All of the students in the magnet program study business and finance concepts through computers, classrooms, and tests.

Sarah also commented, "This program will help to prepare me for the future no matter what kind of career I choose."

Mrs. Green was chosen for the position of Director of the Business Finance Magnet. Students are being prepared to work in business operating companies for the 21st century. Mrs. Green and her staff have directed these students to a successful future. These learning traits will continue throughout their lives.

Janet May

Below: Are we ready to eat yet?

Above: Stephanie Coe ready for the International Dinner.

Left: Maybe there will be some food left.

Focus On Freshmen

Beyond the Classroom

Northwest High School has had a program entitled "Focus on Freshman" for the past three years. Sixty freshmen were randomly selected for the first class in 1990-91. These students travelled as a group to math, English, citizenship and earth sciences. The second year of Freshman Focus was expanded to 110 freshmen on two teams: Team A and Team B. Team A is together for four classes and Team B has all seven classes together.

The principal on which Focus on Freshman was based is "less is more", which implies a few things instead of a lot, not in depth, but in "Teacher is Coach", and "student is worker". Students who were involved in Focus on Freshman worked in groups and completed experiments and exhibitions.

As the counselor, Mrs. Storms replied, "I would like to see all incoming freshmen in this program. It gives students new to our school instant friends, and statistics show that our focus students have had better attendance, grades and all are more actively involved in school activities.

Marni Hadley, freshman involved in the program agreed that the focus did help her in school. Her grades were higher and she also enjoys the field trips they went on.

Everyone should be encouraged to be involved in school. This is only one of the many ways.

Julie Warren

CLUBS

The clubs at Northwest High School give each student the opportunity to get more involved. There are too many clubs to list, but some of the inspiring clubs are Spanish, French, Success Without Drugs, Snowball, Brain Game, National Honor Society, Bowling and Academic Lettermans.

Many of these clubs support Northwest High School during and after school. The Spanish and French clubs participate in the Spring Arts Festival and also go to many different cultural activities. The Success Without Drugs team goes to elementary schools and to many drug free related activities. Snowball is a one-weekend retreat for

Success without Drugs

students who want to maintain a drug free life. The Brain Game team appears on television station WTHR competing with other schools. Academic Letterman and National Honor Society are for students that are recognized for their high achievements. Bowling is great for socialization, competition and relaxation.

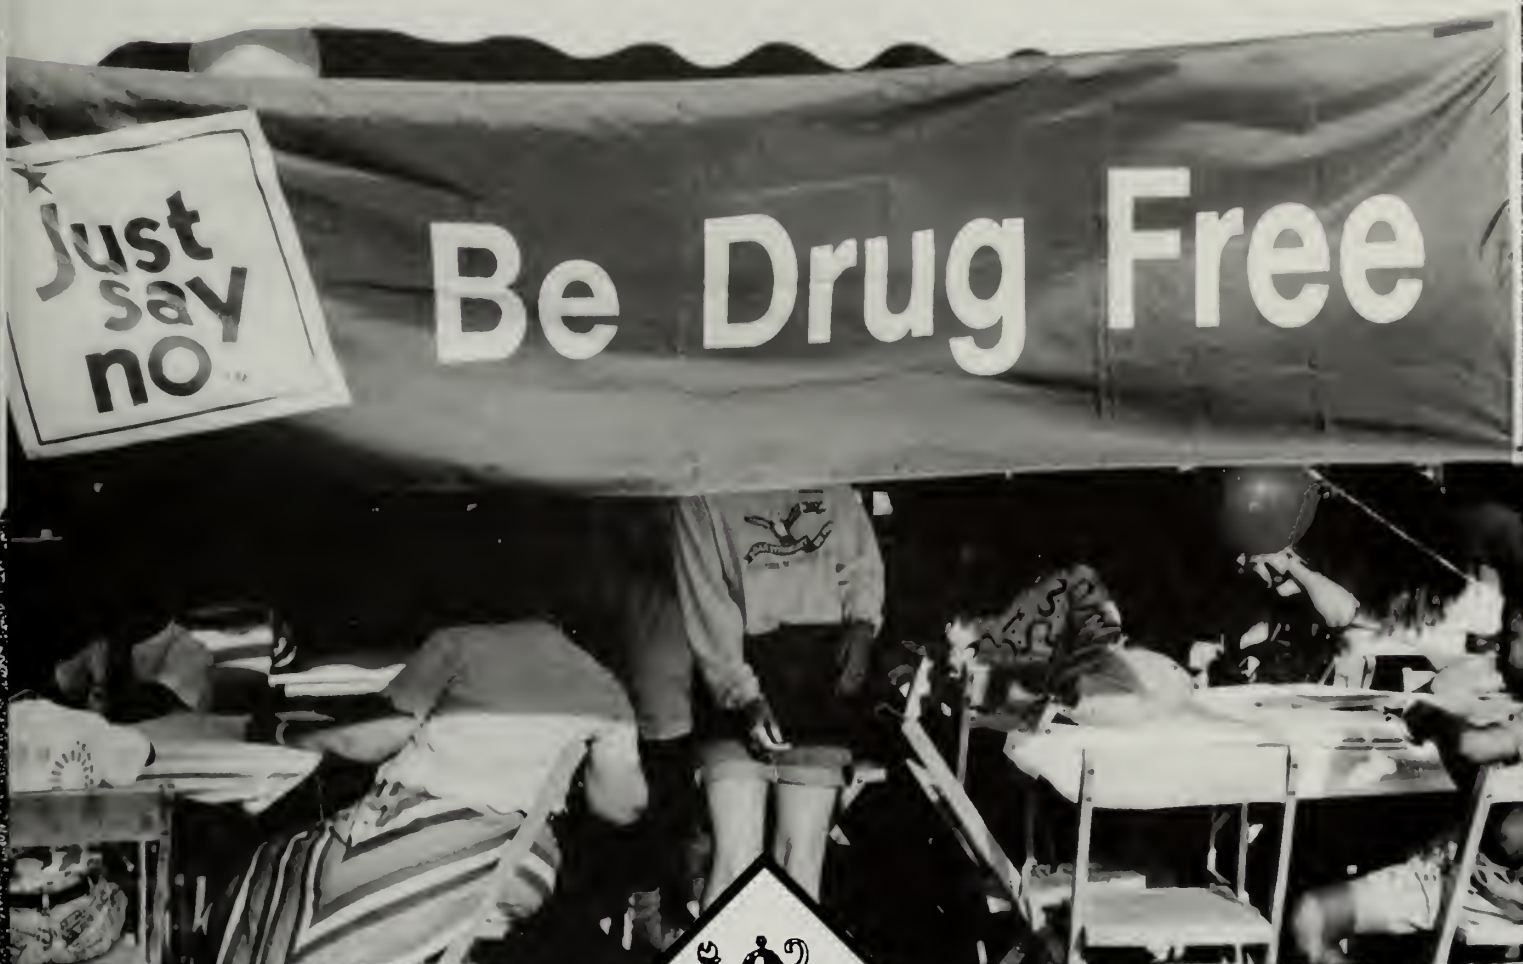

Helping Northwest High School carry on a good reputation is first priority to each club. Get involved and help keep this tradition alive.

Susan Fiorentin

Senior, Susan Fiorentin and Junior, Paul Gardner

Dedication to Northwest

After Hours

SPANISH CLUB

HOLA!

It's never been known to mankind for any student to just jump right in and automatically start speaking a foreign language as well as their own. However, the Northwest High School Spanish Club has proven this factor to be wrong. Mr. Andrew Goodwin does just that. And what better way to find out than to interview Andy:

Katrice: Hello, Mr. Goodwin. It has been brought to my attention that you speak Spanish very well.

Andy: Si, hablo Espanol muy bien.
(Yes, I speak Spanish very well.)

Katrice: Mr. Goodwin, tell me exactly, how did you learn to speak Spanish so fluently?

Andy: Honestamente, creo que es porque iba a todas las reuniones del Club Hispano!
(Honestly, I think it's because I stayed after for all the Spanish Club meetings.)

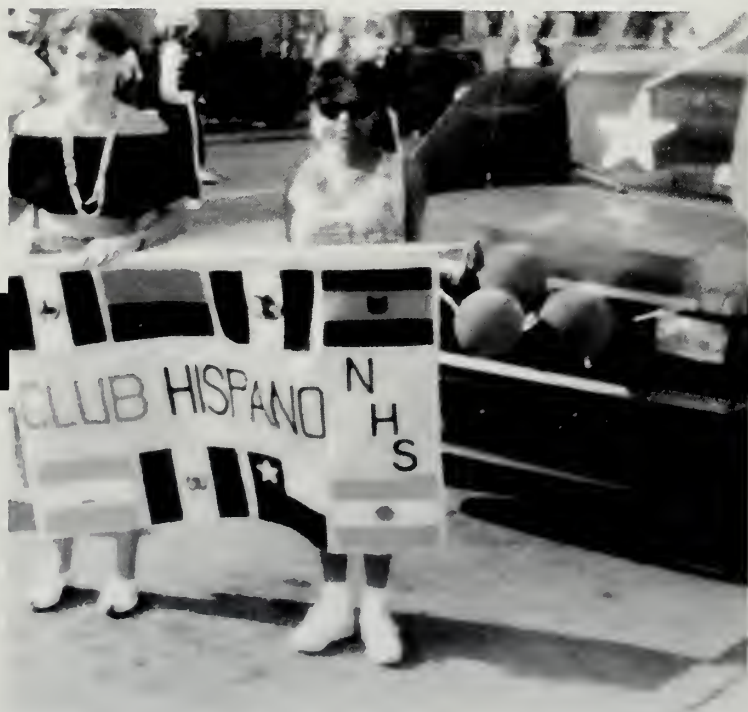

Now, to all you people out there who have this belief that the Spanish Club counts for nothing, you're wrong.

Es Estupendo! (It's great!) So, maybe next year you'll join the Spanish Club.

Mercedes Llaves

FRENCH CLUB

Bonjour!

What is so special about France? How do you pronounce "au revior"? What does Fondue taste like? Well, all of your questions could be answered if you join French Club.

"It is fun, educational and fulfilling. You also get to eat Fondue," stated Willie Thorpe, senior and former French Club President.

If that is not enough, then check this out: The French Club is sponsoring another trip to France this summer. When asked about going, senior Paula Ursino said, "I want to see culture, to find out what it is really like in Paris. I also want to see what Fondue tastes like in France."

So, sign up to take French and join the French club now. Today. This very minute. And don't forget the Fondue!

Jeff Ridenour

SNOWBALL

A Weekend Adventure

Snowball is an event where several students that are members of the Success Without Drugs team get together and share views and ideas on how to lower drug and alcohol abuse among young people. Snowball is a three day event that happens only twice a year; once in the spring and once in the fall. Snowball brings together students from high schools all over the state. During these three days, the students do a lot of learning from one another, such as ways of emphasizing the importance of saying no drugs to elementary students. The students from Northwest High School who went to the fall of 1992 Snowball, said it was like nothing they have ever done.

Michael Smith said, "It was the most fun I've ever had. I made friends I'll never forget."

Below: Joyce Keys learning a few traits about snowball.

Above: Friends that have gathered for a fun-filled weekend.

Above: Kathy Rossetter and Tiffany Hitchcock pose for a picture, with Mike?

Success Without Drugs

Just Say NO!

Success Without Drugs is a group of students that have come together for a single cause. This cause is to enhance the elementary students to say no to drugs and alcohol.

The sponsor of Northwest's Success Without Drugs Team, Mr. Birk, states, "Success Without Drugs is a group of concerned students who have joined together to fight the abuse of drugs and alcohol."

Michael Smith said, "Success Without Drugs has been a great experience and I have learned the many affects of Drug and Alcohol abuse."

These Success Without Drugs students and many more are prime examples of students who say no to drugs and alcohol.

Academic

The Payoff

How would the words, "National Honors Society" look beside your name? Well, for the forty guys and girls who achieved the privilege of having it last year, it looks pretty good.

I bet by now your head is pretty boggled about how to be recognized for this. It is actually very simple. Show the people at Northwest High School that you can maintain a 6.0 grade point average by the end of the first semester of your junior year. Follow it up by providing your service to the school, along with our community. Then secure it down by showing a sense of scholarship, leadership and character.

This can be another key to your success.

Christie McMullen

Top: Andrew Goodwin gratefully accepts his jacket from Vice Principal, Alan Whitlow.

Honors For Hardwork

On December 17, 1992, 22 seniors were recognized and awarded for their excellence throughout their four years of high school. To receive this honor, they had to hold a grade point average of 6.5 or higher at the end of their junior year and complete all the required courses.

In return for their achievements; Nora Jones, Lynn Hanen, Nancy Sutton, John Schulz, Alan Whitlow and members of highly regarded business firms including Olive Garden and Indiana National Bank recognized and rewarded the 22 seniors. Olive Garden catered a banquet for the Seniors and their family and friends with the traditional Academic Letterman's jacket, and a bibliography of each Senior.

The Seniors thanked everyone for their support for the last four years. We hope that these Seniors, along with many others continue their achievements and excellence.

chance to shine.

SENIOR COUNCIL

CLASS OF '93

Every senior's ambition is to enjoy the moments of their last year of high school with their closest friends. From senior trips, dances, picnics, prom to graduation. These are only some of the few activities organized by the members of the Senior Council.

The students whom wished to run for the offices of President, Vice President, Secretary, Treasurer and Publicist campaigned for a week and gave speeches to the Senior class. The Seniors were then able to vote for a candidate for each office whom they felt could get the job done.

Mrs. Garrett, sponsor for the seniors, stated, "The senior's high ambitions to make their last year their best inspired me to stand behind them".

Not only were the Seniors ambitious, but they also held the characteristics of being nothing like the traditional Seniors of the past. They set their own trends and changed a lot of the traditional ones. Only to highlight their broad based ideas.

Latoya Watts, elected president of the senior class states, "Senior Council is made for leaders; decision making students who can get the job done. Being on Senior Council is a privilege not a "must". As senior Class President, it is serious and students look at the final decisions which are agreed upon in a serious manner".

This year's seniors left behind them the guts to stand behind what they believe in and the incentive to get it done. As for next year's senior class, who knows. They may follow down the same road or make a new one of their own.

LaSheena Thompson

Below: Senior Council Representative, Mrs. Garrett explaining the fundamentals.

Above: Council members thinking hard about their next moneymaker.

Left: President Latoya Watts and Vice President Tshana Harris together.

STUDENT COUNCIL

Helping fellow students

This year and in the past years, Student Council has been responsible for uplifting the school and being their for their fellow students. They also have represented the variety of students at

Northwest High School.

Even though they were joined by two new sponsors, Mrs. VanMetre and Mrs. Garrett, Student Council members were able to easily adjust to their plan of action and get right to work.

From peer discussions about everyday life among teens to the activities going on for the next week, are things that make Student Council a well-rounded group.

Student Council is a place where every student can find lots of fun, and positive school activities with a warm, open atmosphere.

LaSheenaThompson

Top: Student Council working on the food drive.

Above: Latoya Watts and Meddie Demmings being congratulated on a job well done.

SPORTS

Sports are a big part of Northwest High School. If being a member of a club is not your thing, maybe sports is.

There are a variety of sports available at Northwest High School. Golf, tennis, swimming, basketball, track and cross-country are all equal opportunity sports. You might also try baseball, softball, wrestling, volleyball, football or cheerleading.

Playing a sport gives you self-esteem. Sports not only give you the ability and patience to compete, but also the recognition of being actively involved in Northwest High School.

So, get involved. Get out there and get into a sport so we can show all those other schools just what Northwest High School is all about.

A NEW BEGINNING

Above: The Northwest football team makes the opposing team eat dirt.

You Bet Your Bogey...

Golf is Fun

Ms. Scaggs, the current golf coach, Physical Education and Health teacher for Northwest High School, has done a lot in the field of coaching and academics.

Ms. Scaggs coached seven sports in all for a total of forty-three seasons. Mrs. Scaggs coached gymnastics for fourteen seasons, Silverettes for twelve seasons, softball for five seasons, volleyball for three seasons, and cheerleading for two seasons. At Northwest High School, Ms. Scaggs has coached girls' golf for three seasons and after the 1992-93 spring sports season, Ms. Scaggs will have completed her fourth season of coaching boys' golf.

Not only has Ms. Scaggs coached quite a few sports, but she has also taught academics. This will be Ms. Scaggs twentieth year teaching Health and Physical Education. Ms. Scaggs taught Driver's Education in the summers for seven years.

When asked which she enjoyed coaching the most, Ms. Scaggs replied with a simple, "I can't say. It is a tough decision because I enjoyed them all." She continued by saying, "I feel more partial to golf, however, because there is no junior program for golf and no one has ever really said anything on how to do it."

Ms. Scaggs had done a lot not only for herself, but also for the school systems she has been, (and is), involved with.

FORE...Watch out! Here comes the 1992 boy's golf team. This was the best season they have every had.

The seven golfers on the team played to the best of their ability, and still they improved. The team's coach, Ms. Scaggs, agreed by saying, "They practiced hard, played well, and had a great time. The boys were intelligent enough not to mind being coached by a female."

Jonathan Proffitt, senior, said, "It was our first winning season in a long time. I look forward to doing even better next season."

Andrew Goodwin, senior, said, "We were really competitive with the other schools. Last season was the first time in two years we had any medals. In fact, we had two medalists; myself, placing third and Jon, placing tenth."

All the golfers, including their coach, agreed that even more victories are expected next season. The golfers played to their heart's content by having a ball and giving it their all.

TEE-TIME

The girl's golf team, consisting of five golfers, has greatly improved since that very first day of practice. They not only learned the game of golf, but other ideals as well.

The team's coach, Ms. Scaggs, said, "Golf builds self-esteem and teaches patience." She went on to say, "All my golfers are smart, but then again, all golfers are!"

Third year golfer, senior, Maggie Hust, said, "If you smack the ball every time, other than when putting, you will do just fine."

Three of the five golfers played the first match against Howe. It was a match well played with fun in mind.

The girls all agreed they "managed to learn and have fun at the same time", while holding their heads high for the spirit of Northwest High School.

Kelly Covey, freshman and first time golfer said, "It was fun, and I really enjoyed myself and had a great time."

Paula Ursino

Tennis

The girls 1992 tennis team had a good year with a 5-4 record. The team had high spirits and set high goals for themselves to reach.

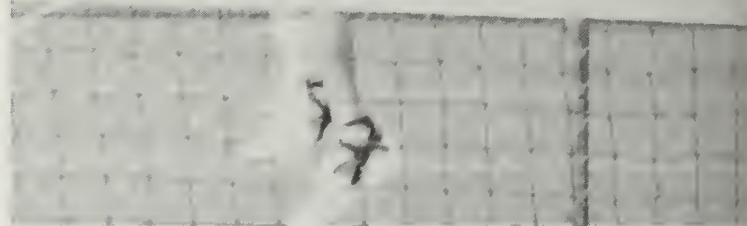

As quoted by Maggie Hust, "It was a good season and the team did really well. I hope the 1992 season will be the best year yet." The team fulfilled their goals and went beyond anyone's expectations.

Bottom Left: Senior, Maggie Hult attempts a serve.

Boys tennis underwent a lot of changes in the 1992 season. The team picked up some new young players and they, along with the seasoned players from last year, pulled out many victories for the Pioneers. "Our main goal was to win sectional matches and to fulfill the coaches dreams," stated Jason Huddleson. With their hours of practice, hard work and dedication they accomplished both.

The Dream Team

Something exciting came out of the boy's Tennis team this season. Junior Jason Hudelson and sophomore, Dan Kovacic won the IPSAC #2 Doubles Tournament. It took hard work and a 6-3 record to win the IPSAC Tournament. Congratulations to Jason and Dan and to all the rest of the finalists in IPSAC.

SOFTBALL

More than a team...

A family

The change of the spring weather brought the Lady Pioneers off into a competent season. It was rough, but respectable. They had long, hard practices which conditioned them both mentally and physically for their victories.

The team went through a dramatic change in coaches and attitudes. Holli Tabor replied, "Even though we had some problems getting and maintaining a coach during the season, we continued to work together as a team."

The ladies rounded up with a record of 4-17. When sectional time came around, Coach Danny Wilson and Assistant Coach Mike Brown were very proud of the team. Coach Wilson indicated "it was by far my most memorable moment. We beat Pike High School after they had beaten us in the regular season game, 28 - 4." It was the first time ever that Northwest softball team finished second place in sectionals. Coach Wilson went on to say, "This was a real moral booster for the team. it taught us that hard work pays off down the line."

Heather Starks commented, "I will remember our last game. After our impressive showing against Pike, we continued to sectional finals. We played Zionsville and lost 20 - 3. I felt very let down. I felt that we did not do our best. It was hard watching the trophies being presented to the other team. Now matter how we played throughout the season, I felt that we put forth a good fight. Our hard work may have not always resulted in a win, but each game we learned something new about the game and ourselves."

Julie Warren

Above: Northwest batting for a victory.

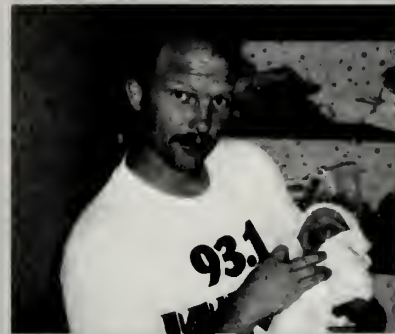

Above: Break time!

Left: Holli Tabor's up to bat
Everybody watch out!

Below: Northwest softball team.

MR. DANNY WILSON

Mr. Wilson has been a dedicated teacher for ten years. Four of those years were here at Northwest. Mr. Wilson coaches softball, freshman football and varsity wrestling.

"I enjoy young people and seeing them improve in their skills. It is also a great way to teach students valuable life-long lessons," says Coach Wilson. "I like to complete a job that I have begun. Barring no unforeseen changes, I will continue to coach the girls softball for at least three more seasons."

Good luck in the years ahead, Mr. Wilson!

Julie Warren

Above: Smile for the camera!

TRACK

Time to Compete

The 1992 Boys and Girls track team had a very different outlook towards improving their season. The team took an overwhelming interest in setting their goals and reaching them. The two teams competed against 11 schools and were successful at 4 of them.

"With a young team, we made it a long way. We went to regionals and placed in the city finals," said Anthony Vaughn.

The team's attitude toward improving themselves was tremendous. Their attitudes were so demanding to do their best that even if it came down to a loss, they were still capable of being proud of their achievements.

"The girls track team did very well considering the fact we only had five girls. The team was a good one and very determined to win," expressed LaSheena Thompson.

With the help of all the dedicated athletes and the contribution of many others the 1992 boys and girls track team had an exceptional season and should be commended for all of their efforts.

Kevin Shaffer

The New Super Woman

LaSheena Thompson

The girls posed an awesome threat at the meets last year. Senior LaSheena Thompson had a sensational track season. She had a long road ahead of her to win at City. She succeeded at being city champ and broke the city record in the high jump. She holds the record at 5 feet, 1 inch.

Kevin Shaffer

The jump that sent her into the record books.

BASEBALL

Great American Pastime

Take me out to the ball game, take me out to the crowd!" Wait a second, where's the crowd? Everyone knows that baseball is the great American pastime, but it doesn't seem that way in High School. Even though the games are filled with excitement and competition, the crowd doesn't seem to flow to Northwest. Through the past few years, Northwest has not been on what you would call a winning streak. There was hope this year when our new Varsity coach, Mr. Quinlan brought our Varsity team to a 4-15 record, which was an improvement.

Lee Coleman, sophomore, stated, "I had a good offensive year, opposed to my defense. And I see a lot of potential from the upcoming JV team."

With the Varsity team consisting of five seniors and a couple of juniors, next year's team looks quite young. In other views, Coach Berry decided to take a change from coaching defense with the football team to coaching the VC team to a 9-7 season.

"Coach Berry was a good coach and meant well. Our team did quite well opposed to the years passed," stated shortstop, Chris Robinson, sophomore.

Overall, both teams played their hearts out to the very end of every game. What they need now is the pride and spirit of their Northwest Fans!

Eric Moore

Above: The Northwest Baseball team.

Left: Lee Coleman, sophomore, in one of his power stances at the plate.

Below: "What are you looking at? Of course I play", sophomore, Jason Hudleson.

Thomas Gardner

"This year was more memorable for me because of the two games that I wanted to win. One game was the Manual game. I pitched all seven innings and Manual turned down Coach Quinlan for their coach. The other game was against Roncalli. This was Coach Quinlan's old school."

Left: Tommy, the coach said choke up on the bat but Tommy didn't quite understand

BOYS SWIMMING

Hopefully the team continues.

Boy's swim season started off with questions in mind: Who's going to be the coach? Where are we going to swim? Are we going to even have a swim team? Mr. Black managed to help answer all these questions.

Yes, we had a team! Mr. Leg and Mr. Black coached, and the boy's swam at Atkins Girls and Boys Club.

Andy Long, Senior, said, "I think it's nice that Mr. Black stuck around to help out even through things had to get worse in order to get better."

Mr. Black worked the boys harder than in the past. He had them conditioning before they even got close to the water.

Kenny Fodril, junior, said, "We have to work hard to get better. Sometimes you don't want to do it, but in the end it pays off."

What was new to everyone was the new coach and pool. It was a serious change for everyone.

Senior, Andy Goodwin, said, "It's been a long two years and we've finally started to see a change for the better, both for the team and the facilities. I'm just sorry that I won't be around to see the best of it."

Kathy Rossetter

Below: Get ready... Set... Go!

Above: Com'on let's go!

Above: Swimming towards a victory.

GIRLS SWIMMING

Splash Splash Splash

Below: Girls swim team stop for a picture.

Girls swimming this year started off slow. The pool was broken down for a long period of time and the girls couldn't manage to get their team together, but eventually everything worked out as usual. Coach Black had problems with meets because he taught night school on Tuesdays and Thursdays, but all in all it was a successful season.

Dawn Hinshaw, sophomore, said, "This year has been great. I've improved on my strokes and times. Better yet, I achieved my major goal for this year."

Demita Goodrich, junior, said, "I enjoyed my first year swimming and learned a lot from the others."

Many of the team reached goals they were striving for. Everyone placed in IPSAC in something.

Tiffany Hitchcock, junior, said, "My goal this season was to swim the 500 in sectionals. I didn't achieve my goal, but I did improve tremendously. I will be swimming it next year!"

Many were disappointed to hear that Coach Black was retiring from coaching. He introduced many girls to the sport and helped them discover they loved it. Coach Black will be missed next year, but remaining is the team he built.

Kathy Rossetter

Diana Popov, diver and swimmer

Diana Popov, senior, was the only diver and four year swimmer on the girl's swim team. She started swimming her freshman year when the team began. She then began diving her junior year and attended diving lessons at Ben Davis Twister Club over the summer.

Diana placed first with her back stroke and, second in diving while competing in IPSAC. She went on to place third in the diving compition in City.

For the first time Northwest High School had a diver in sectionals. She placed ninth and was the only student from an I.P.S. school to advance to finals.

Diana has worked hard and has done a great job for her team. Good job Diana!!

VOLLEYBALL

The Varsity Lady Pioneers showed a great attitude towards improving this year's season. They competed with 5 seniors, 1 junior and 3 sophomores.

"This year's team had a lot of potential and a great desire to win. Everyone on the team supported each other and helped each other keep the attitudes adjusted, which allowed the year to go a little easier," replied Coach Bea Harding.

Lun'ye Hendricks, member of the Varsity team, agrees with Coach Harding that most everyone gets along well with each other. "The team work very hard and always held their heads high whether they won or lost."

Being the captain and a senior along with Korea Milledge, Kalynn Vazquez said, Although the record books may not have said that we were winners, we were because we played the best games of volleyball that you could have expected from a high school level." All in all, we had fun, and that's all that counts.

Above: Thersa Miles, assistant, warms up the girls before their game.

Top: Korea Milledge goes up for a perfect spike.

Right: Uh oh! Where'd the ball go?

Top: Varsity Team

Below: J.V. Team

Plenty of hard work, time and determination went into the 1992 Lady Pioneer's volleyball season, along with the efforts of a new coach, Mrs. Lynn Hanen. The ladies' attitudes helped the young team through a long, hard season.

Cathline Garcia, freshman player on the JV team, said, "Volleyball was a lot of fun. One of the good things about playing was finding new friends to celebrate our victories with and to overcome our losses."

"They were a good group of girls with a lot of spirit and everyone had fun," replied Coach Hanen.

Good luck next year, girls. Keep up the good work!

JV Volleyball with a New Coach

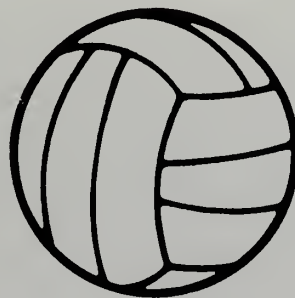

This year the JV Lady Pioneer's had a new coach, Mrs. Lynn Hanen. Mrs. Hanen last taught and coached at Attucks Jr. High. She has coached sports for 10 years,, 3 years of volleyball.

Coach Hanen said, "I enjoyed my first year here at Northwest High School. This year's team was fun to be with and they were great girls to coach." She felt the team had a lot of potential and there was an all out effort from every team member.

"The moment I will remember most at being at Northwest High School coach was our first win, which was against Howe High School."

Good luck in the years to come here at Northwest High School in coaching and teaching.

Julie Warren

Above: Mrs. Lynn Hanen

Cross Country

"Doin" it in the grass.

Cross Country? When this sport is mentioned to a lot of students, they think of the strength you need to run long distances, the endurance it takes, and the competition they would need to become competitive.

All of these things are what make up this years' girls and boys Cross Country teams. Byron Smith, a junior, says, "I get respect from the football players because they don't have the courage to do it."

"Cross Country is fun and it takes a lot of endurance to do well," states senior Jeremy Giddens, a second year Cross Country runner. "We have a much better team this year and we can do well with the amount of power we have."

The girls team won their first meet in three years against Howe. Coach Joe Grubb says, "This years' team is a definite improvement than in the past. It is a 100% turn-around for Northwest High School". the first time in at least three years. we have a great team." Senior Keisha Wade says, I run for personal fitness, but I also like competition. I have an out-of-body experience when I'm running which helps keep me going.

Cheryletta Murrell, an aspiring junior, states "Cross Country is good conditioning for track in the spring." Cheryletta feels this years' team has a lot of talent, good cooperation and a willingness from all members that will "give the other competitors competition."

Left: Cheryletta Murrell concentrating on a victory.

Right: Jeremy Giddens striving for defeat.

Keisha Wade

Keisha Wade has had a very successful season this year in Cross Country. Keisha is one of the top runners on the girl's team. She is a very dedicated runner and works hard at being a good runner. Keisha is always trying to improve.

Keisha states, "I feel like I've accomplished a sense of becoming a hard worker. My mental health has also improved. Running such long distances, you don't have a choice but to think of something in your mind and stick with it."

LaSheena Thompson

BREAKDOWN NORTHWEST

It's war time," the notorious quote that became very popular during Northwest High School's football season was obviously taken literally this year.

New and stronger attitudes brought about several changes that were very beneficial to the team.

"Our mental attitude is a lot stronger this year," said starting quarterback, Jason Pettigrew. "That's what's going to lead us through this year."

A lot of this positive attitude will be carried on next year by the team's starting receiver, Darryl Clemmons. "He's real good and he shows great leadership," said Pettigrew. "He'll be a great benefit to the team."

Everyone agreed that the defense was excellent! Even the newcomer, Jonathan Mitchell, observed the team's new found strength on the defensive line. Northwest will have a great deal of talent returning to the team next year, such as Darryl Clemmons, Paul Spicer and Marcus and Lemar Williams.

The guys agreed that their toughest game was against the Washington Continentals. The team showed great potential this year and a great deal of determination and as long as they remember the saying: "What time is it?" WAR TIME!!! their successes will continue.

Above: Northwest getting ready to make a TOUCH DOWN!!

Jason

Pettigrew

The talented, starting quarterback for Northwest High School played his last high school football game this year. Jason J. Pettigrew, who has started varsity football games since he was a freshman ended this season better than he has all four years. He scored a total of seven touchdowns his senior year.

Jason is academically talented as well as athletically talented. He is ranked in the top 10 of his class and wants to pursue a career as a mechanical engineer in the future. With hopes of attending Duke University, Jason excels in all academic subjects as well as his sports.

He'll miss the team and playing for Northwest High School, but at the same time, looks forward to his promising future.

Freshman Football

A New Beginning

The freshman football team rocketed into the season this year with flying colors. The player's worked long and hard during the school year and it definitely paid off. Credit and respect was given to the young men by all and it would certainly be appropriate to say that they truly deserved it.

The freshmen finished the season as the I.P.S.A.C. City Champs title, along with an outstanding record. Much congratulations goes out to the coaches for doing a job well done.

Improving Towards Victory

With hopes of being next year's varsity team, the Junior Varsity players showed that they were completely ready for the challenge ahead. With an excellent record of 5:3, the J.V. team proved their ability towards being a winning team.

This great increase in our student's athletic abilities is just another positive point in Northwest High School's new image.

The new image has shown a great increase in our hopes toward a positive outlook in Northwest's upcoming victories.

SHOOT THE SINGLE!

Wrestling

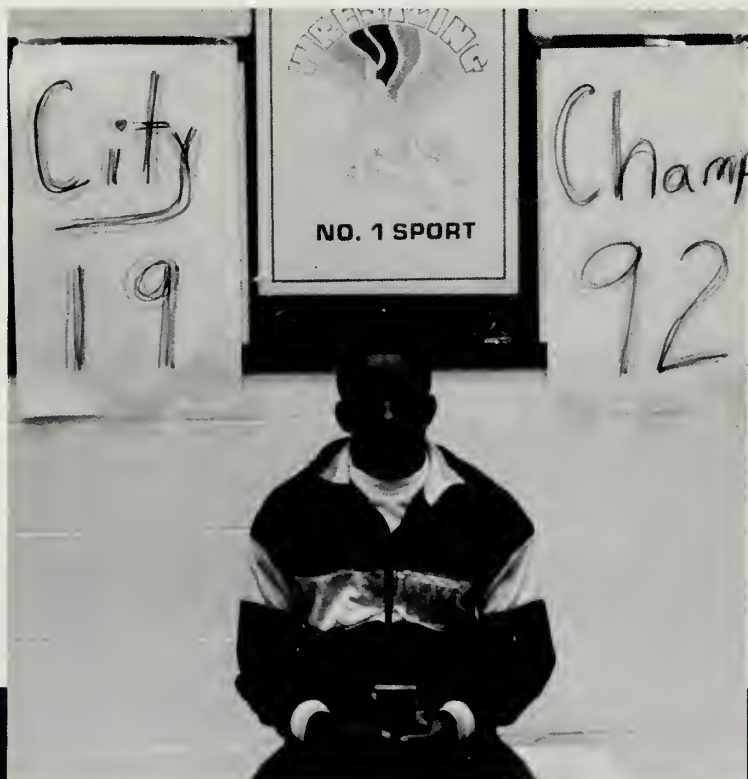

With the loss of last year's senior wrestlers, the young 1992-93 wrestling team worked very hard for the victories made during the season. The two unflattering dual meet wins do not reflect the dedication, spirit, and motivation of the wrestlers on the team.

Mr. Wilson explains, "Wrestling is like taking a long journey. You don't get there in just one day. In wrestling, experience is most important. Our young team got a lot of valuable experience this year that will carry them through the seasons to come."

Although the wins as a team were not as good, many wrestlers made outstanding accomplishments. Seniors Kujuan Reed and Craig Ball qualified to the semi-state at New Castle and Freshman Edward Jackson and Sophomore Marvin Frank qualified for the Regionals at Pike.

Improvement and hard work will be a hallmark for the success of the 1993-94 wrestling team.

"LADY HOOPERS"

Shooting for the Stars

The ladies basketball season may not have ended with the greatest record, but it did end with a lot of good memories. It brought the girls together not only as a team, but as a family.

Throughout the season there were a lot of great moments, but also a share of loses. With the loses came attitudes. Estoshia Hillard, varsity player, replied, "Without the attitudes, it would have been a whole different ball game. I feel if we could have got along better, then we could have been a better team. We did manage to work together as a team and won our first game.

Coach Lawson states, "I also agree that the attitudes were not like they should have been. I recall that my favorite moment being when the Varsity team beat Washington High School." He then concluded that, "Winning made my job more fulfilling."

Mr. Grubb, JV coach remarked, "I felt the girls progressed well and worked hard during the season. My most enjoyable moments were when someone got a big rebound or hit a shot when we needed it, and I also loved seeing a good pass. My most memorable moment was in the second game of the year. I told one of the girls to get in the game for #21. The girl jumped up and ran into the game, while the game was in progress. (forgetting to check in!) We were whistled for a technical foul for having six girls on the court."

Ester Gamble, JV player, quoted, "I had a lot of fun and I wouldn't change anything about the team, but we could have used support from the school. The only time the team got into disputes was when someone did something they were not supposed to do. We were an excellent team and we had a lot of fun!"

NEVER REALLY DEFEATED

This years basketball team has had to pull together and make that extra effort to replace the valuable players they lost.

Successfully completing this task required everyone's attention and cooperation. Whether this meant crucial or extensive practices everyone agreed that it was necessary in order to make this years team more stronger than last years. Some people were required to work harder to strengthen the skills they may have once lacked before joining the team. This years team pulled together as a family and finished the season with their fullest potential.

J.V. & FRESHMAN Basketball

This year the J.V. & Freshman basketball teams have done their best to improve their skills so that sometime in the near future they can move up to the Varsity Squad. This year's teams were made up of group of individuals that were striving for nothing less than the best. Not all the guys on the team were really concerned with whether or not they won the game, but they were concerned with how they did in the game. Improving their skills and building their self esteem, they have all made it clear that they will make it to the top.

CHEERLEADERS

Supporting Northwest

Being a cheerleader requires a lot of work, a good mental attitude and a healthy body. Diana Popov, captain of the cheerleaders, states, "Cheerleading is a lot of hard work."

Northwest High School's cheerleaders are always there to support and stand by their football and basketball teams. A lot of practice and hard work is put out in an effort to be and look their best when they are on the sidelines cheering the school on to a victory.

"I feel that many people think cheerleading is just jumping up and down on the side lines, but it is an activity that involves a lot of mental and physical ability. I enjoy cheerleading because it gives me a chance to work with others and represent my school in a positive manner", states Tshana Harris, captain of the cheerleading team.

Some people may get the impression that being a cheerleader is easy. It's not! The cheerleaders have to obtain the highest grade point average out of all the sports, and at the same time it is not even considered a sport. Even through all the hard work of keeping good grades and cheering on our teams, the cheerleaders always hold their heads up high.

LaSheena Thompson

Above: Varsity & J.V. cheering away at Homecoming.

Left: Ann and Cheri having good spirit.

Above: Ann and Cheri holding up the breakthrough.

Top: Cheerleaders concentrating on the message at a school assembly.

WORKING TOGETHER

Coaches and Trainers

Being a coach is much harder than it appears, but at the same time, it is very fun.

Coach Scaggs of girls and boys golf said, "I love it! It's a lot of fun. I spend my time outside doing what I enjoy most."

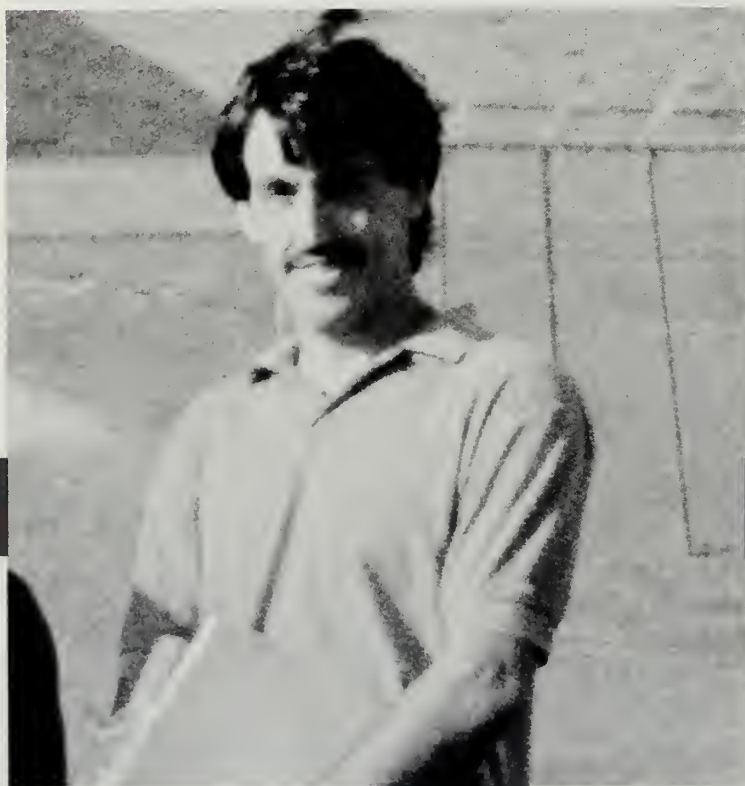

The coaches enjoy working with the students. They like introducing them to a sport and then see them succeed in it.

"I enjoy coaching because the bonds I build with the young people lasts a life time," said Coach Hughes of football and track.

It takes a lot of hard work and time to be a coach as an athlete. A coach has to be dedicated and educated in that sport.

Coach Mattingly said, "Coaches don't coach for the money. You have to like the sport and like being with the kids. Although there are plenty of headaches, working with student athletes also has rewards.

Next time you walk past a coach or see a coach in the hall, say, "Good job!" Keep up the good work!" Give them a smile.

Above: Coach Grubb poses for a quick picture.

Below: Coach Mattingly with
Pacer Mascot.

ulating the olympic finalist
in wrestling, Randy Lewis.

Left: Coach Harding knows
how to pose.

Far Left: Coach Brown: Uh,
where did the ball go?

Susan,

You are the grand finale of our children to graduate from Northwest. We are very proud of your academic achievements, leadership role as drum major, and dedication to the yearbook publication. Never compromise your standards for anyone. We pray that God will always look after you as you meet the challenges in your future.

Our Love Always,
Dad and Mom

Kevin,

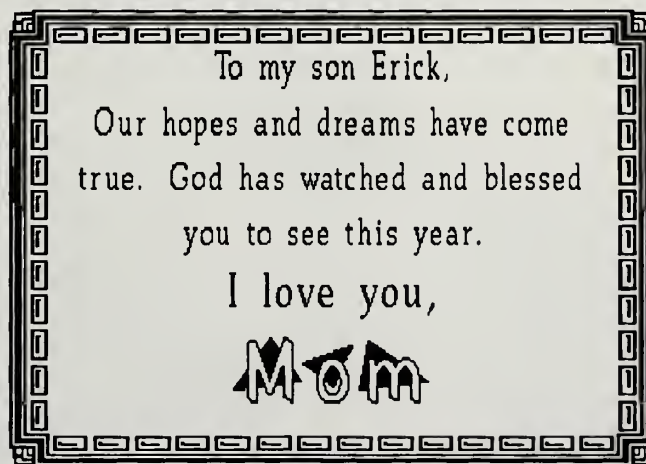

Even at two years old you were a handsome boy. Now you are a handsome man and we wish you luck as you complete school and enter the Navy.

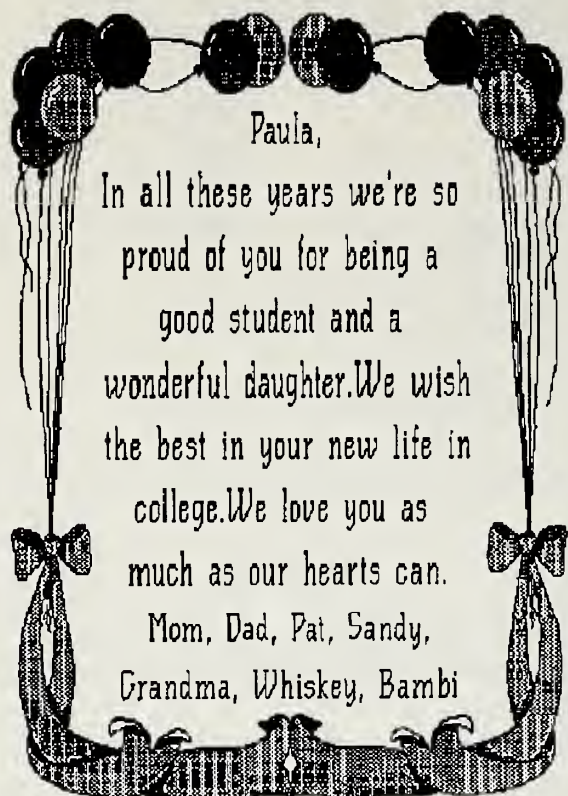

Love,
Mom, Dad,
Karren, & Kyle

Chris,

From skunk to
scarecrow. We
are proud of you!
Love,
Mom and Dad

More hours. More days.

At INB, we're making banking a lot more convenient. Every Saturday, eighteen of our Banking Centers are now open from 9 until noon. The lobbies in many neighborhood locations are open into the early evening hours during the week. On Sunday, you'll be greeted by our friendly tellers at three in-store supermarket locations. And more Cub Foods Banking Centers with Sunday hours are on the way.

More places. More ways.

Of course, every day you can pay bills, transfer funds and get account balances without ever leaving home with INB's exclusive *BankByPhone* service. Or, you can get account information by calling our Customer Information Line 24 hours a day, seven days a week. And one of our eighty-eight MoneyMover[®] 24-hour tellers is bound to be just around the corner when you need it.

So whether you prefer the personal attention of an INB representative, or the convenience of electronic banking, we're here to serve your needs seven days a week. And that's a good reason to change banks.

Des seniors dans le cours de français
avancé: Heather Starks, Jay Wilson,
Maggie Hust, Paula Ursino, Craig Price,
Jeff Ridenour, Willie Thorpe,
Willie Stromberg, et Kevin Shaffer.

Bonne chance à la classe 1993!

TO: Our son Kirk,
 Congratulations and
 best wishes for a
 bright and happy
 future. Also, a life
 full of hapiness
 and love!
 Eternal Love,
 Mom & Dad

Willie Thorpe,
 $A+A+B=B$ W.S.

Willie Stromberg,
 The time has come to tell this
 school to kiss our xxx! Our freshman
 year was alright. Our sophomore year
 was just there. Our junior year was
 long and boring. But nothing could
 compare to our senior year. Don't
 forget all the little freshmen in
 gym. And, also, "Ouch my Pancreas."
 Kevin

Paula,
 Get your poochin' self our of here!
 Love
 Willie

Dallas,
 Who's #1 now?
 Soneil

Hez,
 Hit it yet?
 will

Paula,
 Who got last word NOW?
 Love
 Willie

You
 just
 had
 to
 be
 there!

Stacy,
 These past four years has been
 great. Thanks for always being a
 friend through it all! Oh and
 remember to keep your insurance paid
 whenever we go out!

Love
 Susan

Jay,
 To one of the "girls" Stop in the
 name of love!

Mags & Susan

Paula,
 Remember our birthday presents?
 Well maybe next year. Bigger and
 Better! Hawaii will be nice, just
 wait you'll be invited!

Love
 Susan

Kevin James,
 Your a great "big" brother. I
 hope that all your dreams are
 fulfilled.

I love you,
 Karren Jo

P.S. Watch out for Oscar!

Susan,
 Watch out for that "Twinkie"
 Karren Jo

<p>Kathy, Hey dad I cleaned your van up for you! Thanks! Love Susan</p>	<p>Eric, Make sure your seat is a stable one next time you sit down at Taco Bell!! You're a great guy that knows how to bring people's spirits up. Don't every stop making people laugh!! "...DAFFY!!!" Love ya, Paula</p>	<p>Karen, To my bestest buddy in the whole world. Will miss ya next year. Good luck with Karen. Love Willie</p>
<p>Kevin & Willie, Thanks for thinking of me. Love ya both. Dot</p>	<p>Susan, I just wanted to letcha know that I'm glad you were always there for me! I couldn't have realized A Lot without you! I'll always be there for you. I love you, Susan!! You're like a sister to me!! Poor Pokey (Me)</p>	<p>Susan, It's over! I want you always to remember to look over your shoulder and LOOK OUT FOR THE BUS! Kevin</p>
<p>Kevin, Watch out for those moving desks! I hate when that happens! Love, Susan</p>	<p>Willie, Let's not ever forget those "Last-Nights!" I'm glad we're still good bud-dies! Love ya</p>	<p>Joshua Eden, Watch out for "Barny" Love Karren Jo</p>
<p>Hez, Hit it yet? Will</p>	<p>Mags, Keep those great slices and aces and let's try to never have another golf sectional like we had this year! "Paula Poundstone"</p>	<p>Thomas Adair, Hey don't forget the key to the handcuffs! Karren Jo</p>
<p>Katherine Lynn Rossetter, To my sis. I will always love you. Don't forget me. Love Always, Kevin</p>	<p>Meghana, Good luck with everyone and with everything you do! And remember, don't be too picky! I'll miss ya, Paula</p>	<p>Willie Stromberg, The time has come to tell this school to kiss our xxx! Our freshman year was alright. Our sophomore year was just there. Our junior year was long and boring. But nothing could compare to our senior year. Don't forget all the little freshmen in gym. And, also, "Ouch my Pancreas." Kevin</p>
<p>This year has been quite an experience, being both <u>Senior Class President</u> and <u>Student Council President</u>. (Stress, organization, determination, ups and downs, etc.) However, I <u>did</u> <u>not</u> do it all my self, so I do not credit everything on me. To all who know me, peace and work hard in college as well as in high school, for nothing comes for FREE! LaToya N. Bibbs --known as-- LaToya N. Watts</p>	<p>Chad, Thanx for always letting me beat you up. If you ever miss it, let me know. Paula</p>	<p>Paula, Get your poochin' self our of here! Love Willie</p>
<p>Suki-Suki (Keisha Wade), "Who drunk all the kool-aid"-- "Daddy did!"-- "No, you drunk all the kool aid and the little boy at the restaurant wouldn't give you a refill! HA, HA Binky (Tea-C Keys)</p>	<p>Dallas, Who's #1 now? Soneil</p>	<p>Chris, Thanx for not complaining about <u>MY</u> complaining. Paula</p>
<p>Kevin, It has been a long 4 years in high school and we've been through a lot. We've had our good times and bad. We've argued enough for two people. I have a couple of things to say. It has been an experience knowing you, and great having you for a best friend. One last thing, have fun in the Navy. Your Best Friend, Willie</p>	<p>Jeff, Always remember to keep Ronald P. Roach in line and don't forget Willie-Worm. Love ya, Paula</p>	<p>Karren, Next year at camp, keep the keys with you at all times, oh and take a case of bug spray. Thanks for being the greatest through the worst. Love, Susan P.S. Watch out for the Pepsi displays!</p>
<p>Kevin, 61 + 35 = \$85 = Don't 4-get your soap on a rope Thanx Bill Willie T.</p>	<p>Karren, Well sis this is it. I'm gone. I love you. And now we can't XXXXX at Mr. Birk together anymore. I love you. Kevin</p>	<p>Paula, Who got last word NOW? Love Willie</p>
<p>Willie S., Steve Alford called and told me to tell you to: GET A LIFE Willie T.</p>	<p>Willie T., Willie S., Heather, Maggie, Jeff, Mme. Hofts, I will say Aur Voir, to you all. And gess what I wrote this with my Stillo! Kevin</p>	<p>Stacy, These past four years has been great. Thanks for always being a friend through it all! Oh and remember to keep your insurance paid whenever we go out! Love Susan</p>

Paula,
Remember our birthday presents?
Well maybe next year. Bigger and
Better! Hawaii will be nice, just
wait you'll be invited!
Love
Susan

Kevin James,
Your a great "big" brother. I
hope that all your dreams are
fulfilled.
I love you,
Karren Jo

P.S. Watch out for Oscar!

Susan,
Watch out for that "Twinkie"
Karren Jo

Mikey,
Mumumumumum!
Willie S.

Martin Lewis,
Whas up "Rugburn?"
Gorasstain

Hey Guys (You Know Who You Are)
I am NOT a DOG!!

Karren Jo,
Hi! What sup? Am I mistaken
or did I hear your say you wanted
a chocolate chip cookie with green
M&M's? But be careful cause u may
get grass-stained! hai!
We've had a lot of good times
and 2 more years to go!
Love ya
Julie Renai

Willie Thorpe,
Learn how to drive! Ahoy Mate!
Me!

Hey Chad,
I Love You! XXOOXXOO
Your Secret Admirer

Marty,
Hey. How bout them ski masks?
Will

Hey Chad,
Look!
We did it!

Birk,
It's about time that you found
2 yearbook editors like us.
Love
Your 2 wenchies

Yearbook Staff,
Look!
It's a Bird!
No, It's a plane.
OH!
It's just Kevin falling of a
desk.
Willie

Julie,
Is Hezi (Brown), Leo (Green),
Marty (Yellow), & Chris (Red)?
Wasn't these our M&M colors? Hey,
mom, we're going swimming! We
shared some great times together.
Thanks for all the laughs.

P.S. Watch out Hezi's flipping
matches!
Love
Karren Jo

Jon,
Without you I could no longer
live. I Love you with all my
heart, mind, and soul.
Yours forever,
Kalynn

Willie Thorpe,
A+A+B=B
W.S.

Thomas,
Is "Charles" in charge?
Karren Jo

Julie,
Tell Josh when he leaves not to
forget to lock his house, because
Danny lives across the street.
Karren Jo

Jay,
To one of the "girls." Stop in
the name of love!
Mags & Susan

Willie Thorpe,
I'm glad that I've shared these
last 4 or more years with you.
I'll miss you next year. I love
you like a brother. Good luck in
years to come.
Love you Dearly,
Karren

Special thanks to our administration
Mrs. Nancy Sutton
Mr. John Schulz
Mr. Allan Whitlow

Thanks and appreciation to all of the
Northwest staff, faculty, students, and
coaches who helped in the production of the
1992-93 Vanguard.

1992 - 1993

The 92-93 Yearbook staff tried to focus on the VISIBLE DIFFERENCES that took place during the year at Northwest High School. Several changes took place that caught everyone's attention and the yearbook staff was there to capture each one. As you look back on this past year, you notice Northwest has changed for the better. Northwest has made several visible differences. A big "Thank You" goes out to the faculty and staff at Northwest for making such a visible difference.

The 1992-93 Yearbook Staff

Right: Where's Birk?

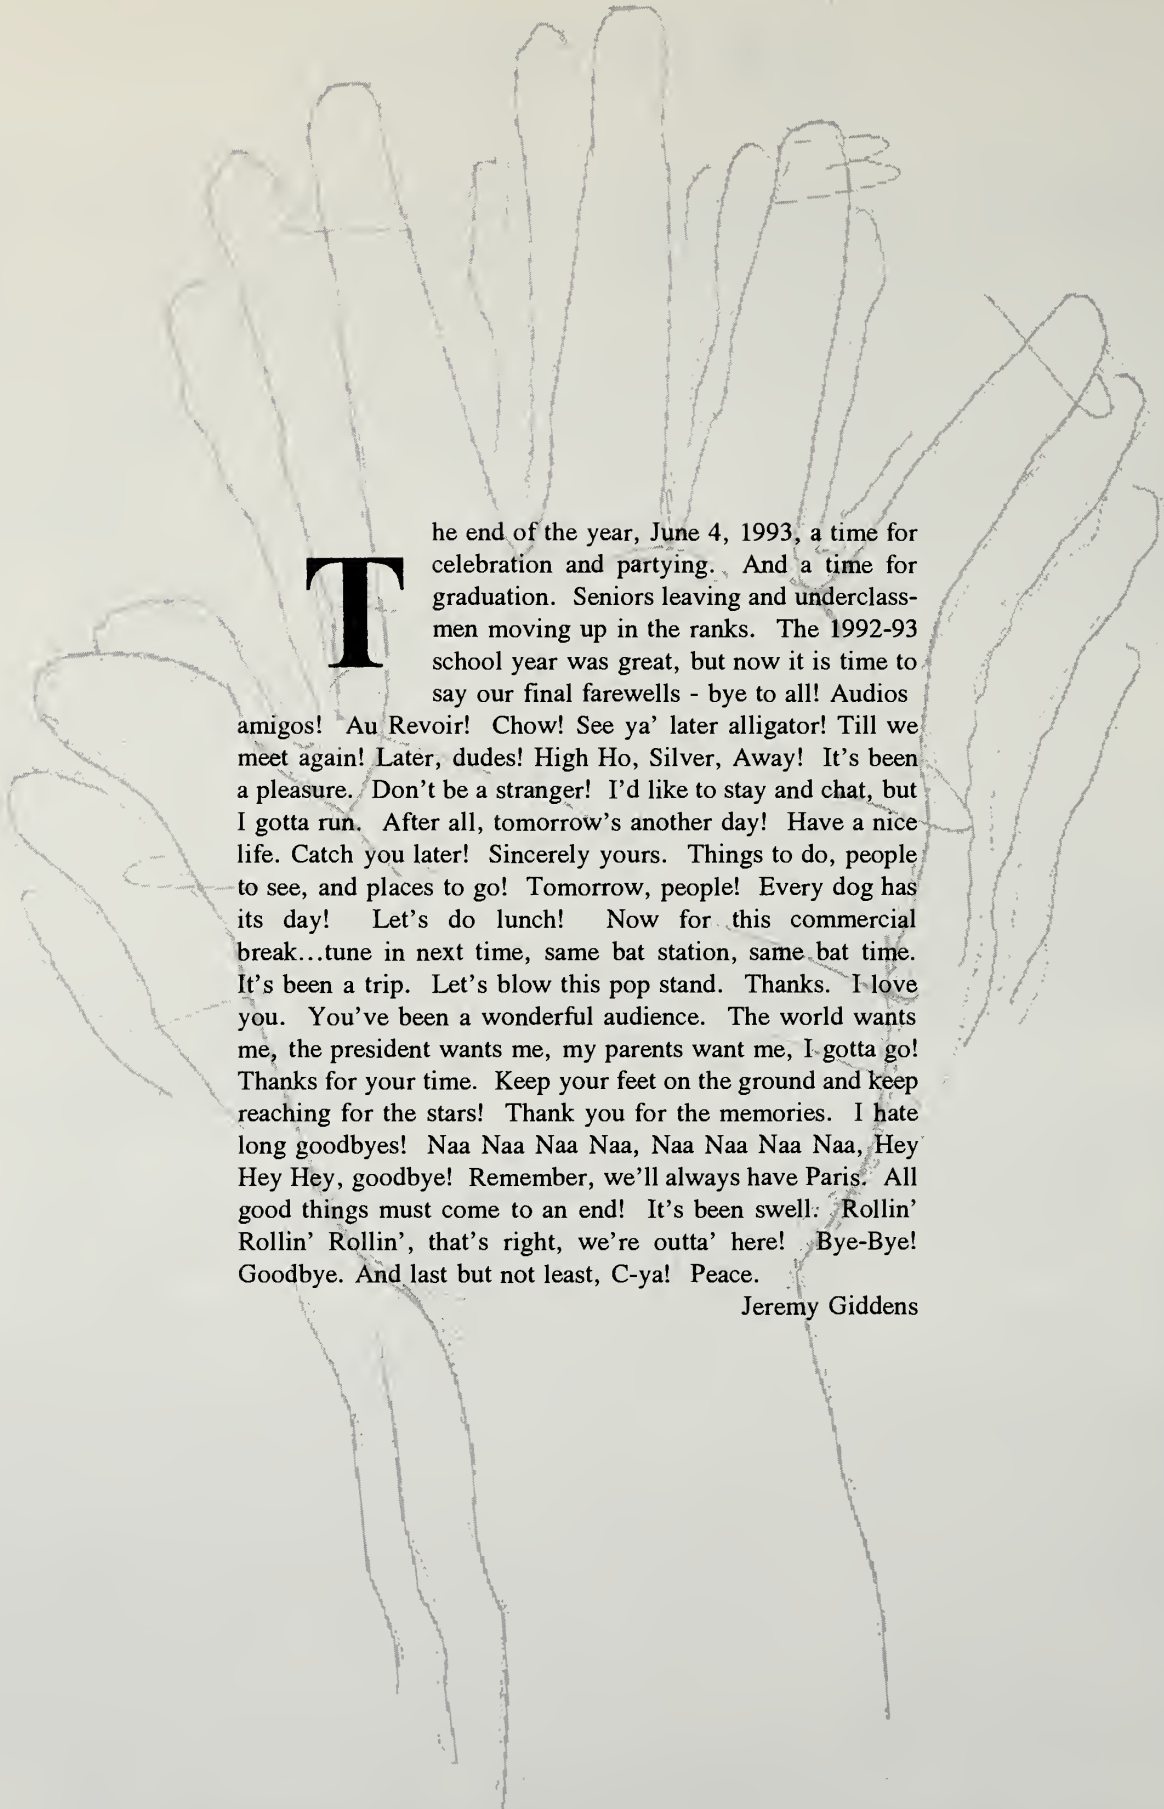

Top: Are they pearly whites as white as his complexion?

Memories

Above: Kevin Shaffer, head of the class.

Top: Here he is!

The end of the year, June 4, 1993, a time for celebration and partying. And a time for graduation. Seniors leaving and underclassmen moving up in the ranks. The 1992-93 school year was great, but now it is time to say our final farewells - bye to all! Audios amigos! Au Revoir! Chow! See ya' later alligator! Till we meet again! Later, dudes! High Ho, Silver, Away! It's been a pleasure. Don't be a stranger! I'd like to stay and chat, but I gotta run. After all, tomorrow's another day! Have a nice life. Catch you later! Sincerely yours. Things to do, people to see, and places to go! Tomorrow, people! Every dog has its day! Let's do lunch! Now for this commercial break...tune in next time, same bat station, same bat time. It's been a trip. Let's blow this pop stand. Thanks. I love you. You've been a wonderful audience. The world wants me, the president wants me, my parents want me, I gotta go! Thanks for your time. Keep your feet on the ground and keep reaching for the stars! Thank you for the memories. I hate long goodbyes! Naa Naa Naa Naa, Naa Naa Naa Naa, Hey Hey Hey, goodbye! Remember, we'll always have Paris. All good things must come to an end! It's been swell. Rollin' Rollin' Rollin', that's right, we're outta' here! Bye-Bye! Goodbye. And last but not least, C-ya! Peace.
